

Mrs. Cundiff's Newsletter

November 21st

Additional Information

Information on Life Cycle Projects are in Thursday Folders. Projects are due Dec. 2nd.

Please continue to help practice and review multiplication facts. Playing multiplication war, flash cards, math websites are helpful in learning their facts.

This Week

We have been working on summarizing and story elements in Reading. We have also been working on how to identify and use adverbs correctly. In math we are continuing our unit on multiplication.

Upcoming Events
